

Linnet - details

Description:	<i>Linnet</i> is a typical small sailing dinghy of the post-WWII period. Not much is known of its history. It was given to us in a poor state by the late Richard Tiller. Its centreboard casing & keel & sails were badly damaged or missing. It was restored in 2008 to a sea-worthy state with a sail rig from a Mirror dinghy.		
Usage/status:	Museum 'wet' exhibit #V031; stored in Boat Shed.	Year built: Acquired:	post-WWII ?
Sail plan:	Gunter rig mainsail, simple jib (not original)	Power:	4 oars
Construction:	LOA: 10'. Beam: 4'6". Depth (inside): 18". Draft: ?" Builder: Chesford Yacht & Launch Co. Kenilworth (according to plaque on transom). Clinker-built.		
Equipment:	full rig & sails (but not original), 2 oars, trailer; no cover		
Condition:	OK but needs minor repairs but could be seaworthy.		
Work done:	By WWMHS (2008): Replacement of missing centreboard case & keel; general restoration; sail rig taken from old Mirror dinghy.		
Work needed:	Minor repairs
